Date Ratified: December 2013

RATIONALE

Glenroy West Primary School is a place that promotes excellence. All students, staff and family members have the right to be safe, and feel safe, in their school community. With this right comes the responsibility to be law abiding citizens and to be accountable for actions that intimidate or put at risk the safety of others or oneself. This includes behaviour that may be considered antisocial.

A Community Code of conduct is intended to provide guidelines for the effective development of positive and constructive relationships between all members of the school community. The following are the principles that provide the framework for this Code of Conduct:

- All members of the school community are to be treated with respect and dignity.
- Responsible citizenship involves appropriate participation in the civic life of the school community. Active and engaged members are aware of their rights but, more importantly, they accept responsibility for protecting their rights and the rights of others.
- Members of the school community are expected to use non-violent and non abusive means to resolve any conflict.
- Insults, disrespect, and other hurtful acts disrupt learning and teaching in the school community.
- Members of the school community have a responsibility to maintain an environment where conflict and differences can be addressed in a manner characterised by respect and civility to others.

The policy is a guide for all members of the school community about the standards of conduct that are acceptable in the school environment, or when attending any official or social function, or activity, of or relating to the school, or in any location at which the school is represented.

PURPOSE

For the purpose of this Code of Conduct “School Community” comprises the principal, staff, school council, parents, guardians, step-parents, relatives, friends, supporters, carers and invitees of the school, who attend at the School, or elsewhere, for the purposes of visiting, viewing, participating, supporting or being present for any official or social activity held by or for the benefit of the school and its students.
