GLENROY WEST PRIMARY SCHOOL PHILOSOPHY

Glenroy West Primary School is proud to be a Victorian State Government School that provides a continuum of learning from Kindergarten to Year 6. Its mission is to provide the highest level of public service to our community of parents and students.

We are a diverse, friendly and inclusive community at Glenroy West Primary School. Our doors are always open to everyone with an extended hand of friendship.

Mission Statement

Glenroy West Primary School is a learning community engaging students in a high quality education. We are committed to developing caring internationally minded students who are natural inquirers as well as lifelong learners. Opportunities for all are provided in a fun, friendly and inspiring environment.

We embrace the values and beliefs of the Primary Years Program (International Baccalaureate Organization) and Victorian Essential Learning Standards. We have been accredited school since 2017.

School Vision – Inspire, Grow, Achieve

Our students enjoy Kindergarten to Year 6 quality learning facilitated by a professional teaching team supported by the most effective learning resources and technologies. Learning is engaging and inquiry based to meet the needs of our individual and independent learners, across a differentiated and rich curriculum.

Our school is safe, friendly, and celebrates diversity. It is a welcoming place with clean, attractive and sustainable grounds and buildings.

Students, staff and parents work together to achieve a shared vision and goals, and to continually improve our school in a collaborative environment. We communicate with one another openly and transparently.

Together we 'Inspire and Grow to Achieve' great outcomes!
