Acceptable Use Agreement – Using iPads at Glenroy West Primary School

Dear Parents and Families,

Before your child's iPad can be connected to the school's computer network, the conditions below must be met and this agreement signed by both the student and a responsible adult. This agreement informs you and your child about their responsibilities in using iPads on the school network to support their learning.

When bringing your iPad to be connected to the school network, you will need:

1. This agreement, signed by student and a responsible adult.
2. The software on the iPad updated to the latest version.
3. An Apple ID set up on the iPad.

Agreement:

1. I agree to use my iPad for tasks and activities as directed by the teacher in charge.
2. I will only take photos and video or voice recording when I have the consent of all people involved. This data will not be shared electronically or posted online without approval.
3. I agree to random checks of the content of my iPad by a teacher.
4. My headphones are to be used only when directed by the teacher in charge, and must be relevant to learning tasks.
5. I will use the apps, websites and settings as recommended and required to support my learning.
6. I will be active in backing up my data and managing the apps and free space on my device.
7. I acknowledge that any personal games, apps or data may be removed if they are being used or accessed inappropriately during learning time, or if there is insufficient space for my work.
8. I will ensure that there is no passcode active on my device while at school.
